Funeral Insurance benefits

Affordable premiums

Our premiums start at just €20 per month* with payments conveniently arranged via direct debit on a monthly basis. Your level of cover is based on the age you commence your policy and the level of cover you choose.

Once you're aged 85, then you will not need to make any further payments beyond this date - though your cover will remain in place.

Aged 50-75 years

If you're aged between 50 and 75 and resident in the Republic of Ireland, you are eligible for this product, which means you don't need to worry about any medical questions, check-ups or reports.

Lump sum payment

Your loved ones can claim a Lump Sum Payment to help cover funeral expenses at the time of your passing, once your policy has been active for just 2 years.

And, in the event that your death takes place within the first 2 years of your policy being active, your beneficiaries will receive a sum equal to the amount you have paid into the policy at the time of your death.

Travel accident benefit

If you have a motor accident or an accident as a fare paying passenger or pedestrian and you die as a result of this accident within 3 months, your beneficiaries will receive double the amount of your selected life cover.

*For example, a 50 year old paying a monthly premium of €20 (including 1% Government levy) would be assured for cover of €6,270.

The total premiums paid over the term of your policy may exceed the death benefit.

Please note: The above is a summary of the benefits at time of print and you should refer to the Funeral Insurance Policy Booklet on anpostinsurance.ie for full terms and conditions that apply.

Extra Benefits

Peace of mind and security for your loved ones in the event of your death.

The lump sum paid to your family will help ease uncertainty and worry over their immediate financial security at a difficult time.

Full life cover benefit payable after 2 years

In the unlikely event that your death takes place before the 2nd policy anniversary, your beneficiaries will receive a sum equal to the amount you have paid into the policy at that time. Your family can claim the full lump sum payment if you die after the 2nd policy anniversary .

Immediate acceptance

To apply all you need to do is complete and return your application form and make your first payment, it's that simple.

Cancellation

You can cancel at any time. If you cancel within the first 30 days following the date of issue of the policy, you will receive a full refund of any premiums paid during this period. If you cancel your policy after this initial 30 day period, any protection benefits provided under the policy will cease and you will not receive a premium refund.

Consistent level of cover

The level of life cover you choose and your monthly premium payments will not change throughout the entire life of your plan.

How do I pay?

You can pay your premium by:

- Monthly direct debit payments
